- I have also interpreted in several International conferences, sports events, and press conferences throughout the UK and Europe.

2002 - 2004

Executive Assistant to the Managing Director
McKinsey&Company, Inc, Bangkok

Provided administrative support to the leadership of the firm by effectively and efficiently handling and managing all administrative matters of and for the leadership, allowing them to focus on their main responsibility of driving the business.

Organized and maintained calendar(s) for assigned consultants (e.g., partners, associate partners) remotely, managed all communications including responding to correspondence that does not require the personal attention of the consultants, and handled all telephone calls in a professional and efficient manner.

Developed a strong ongoing rapport with Assistants supporting client executives, produced accurate, properly formatted documents and reports, frequently under tight time constraints, and provided a range of administrative support (e.g., travel scheduling, file organization, expense report submission, accounting administration) to effectively provided leverage to consultants. Managed logistics, arranged meeting room bookings and printing services, and occasionally provided support coverage in managing front desk requirements for the office.

When needed, supported the planning and execution of major projects, conferences and other off-site meetings, worked collaboratively with other executive assistants to ensure backup coverage and take on other ad hoc responsibilities that may be assigned from time to time.

2001 - 2002
